Notes

1 For *privately* funded Home and EU undergraduates, the College fee will be £5,030 p.a. Subject to a status check, **this fee will normally be covered by a payment from public funds on behalf of Home and EU undergraduates who are on their first undergraduate course.**

2 University fees are billed by the College on behalf of the University. Self-funding students will be required to pay a deposit equivalent to one term's bill, including University fees and all College fees and charges. This deposit will be refunded against your last bill before completion of your course.

3 Please consult the Assistant Bursar if you are unsure which fee rate applies to your course
