Recognising Your Generosity

To acknowledge your support, for the lifetime of A Great Campaign, we have established various ways of recognising and honouring our donors. All donors will be listed in the Development Newsletter and online each year (unless anonymity is requested).

• Individuals who donate £500 become Members of A Great Campaign. Members will receive an enamelled pin badge and will be invited to occasional special events hosted by the Mistress.

• Those who pledge £5,000 will become Members of our Benslow Circle—named to recall Girton’s first home, Benslow House in Hitchin, where the first five ‘Girton Pioneers’ studied. They will receive an enamelled pin badge, and will be invited to the annual ceremony of the Commemoration of Benefactors and Foundation Dinner. We already have 90 alumni and supporters giving at this level, which is a fantastic achievement.

• Alumni and supporters who pledge £10,000 will become Friends of A Great Campaign. Friends will receive a bronze lapel pin, and will be invited to the annual ceremony of the Commemoration of Benefactors and Foundation Dinner. We already have 60 alumni and supporters giving at this level.

• Individuals who pledge £50,000 will become Members of the Jubilee Circle.

• Donors who pledge £100,000 will become Patrons of A Great Campaign.

In whatever way you choose to support A Great Campaign, whether by donating or by leaving a legacy, thank you for playing a vital role in securing the College’s future.

A GREAT CAMPAIGN Girton College Annual Fund 2018-19
Our Priorities

PERMANENT ENDOWMENT
Our Challenge: Girton’s endowment is young, and therefore the University estimates it costs up to £18,000 pa for each. College endowments are designed to bridge this funding gap; it is essential that they are large enough to do so, as well as enabling us to deliver our ambitious strategic plan and respond creatively to the future. Our College has a unique opportunity to capitalise on the generosity of our alumni and to ensure that they will directly impact the lives of Girton students. See on how donations and bequests have stretched students when they are at the College, for practically and psychologically, and may even deter good students from applying. These are just some practical examples of how the University estimates it costs up to £18,000 pa for each.
