To comply with the Copyright Act 1988, I declare that:-

- I have not previously been supplied with a copy of the same material by you or any other Archivist/Librarian.
- I require the copy for the purposes of research for a non-commercial purpose or private study, I will not use the copy for any other purpose and I will not supply the copy to any other person.
- *For published works* – To the best of my knowledge no other person with whom I work or study has made or intends to make, at or about the same time as this request, a request for substantially the same material for substantially the same purpose.
- *For unpublished works* – To the best of my knowledge the work had not been published before the document was deposited in your archive and the copyright owner has not prohibited the copying of this material.

I understand that if my declaration is false in a material particular the copy supplied to me by you will be an infringing copy and that I shall be liable for infringement of copyright as if I had made the copy myself.

To comply with the Data Protection Act, I declare that:-

Any personal data* relating to an identifiable living individual (the data subject) will only be processed for domestic/personal use. If that use changes from domestic/personal use at any time, I understand that any processing will be subject to the provisions of GDPR and the Data Protection Act and that it will be my responsibility to ensure that I comply with GDPR and the Data Protection Act.

**personal data includes photographs of identifiable living individuals*

Should I wish to publish these copies or any part of them I shall obtain permission from Girton College, and where applicable the copyright holder(s), and the data subject(s).

Signed: _____ **Date:** _____

Your position: _____

Please tick if you require an invoice

In accordance with the provisions of GDPR and the Data Protection Act (2018) I understand that the personal data I have supplied above will be kept within Girton College and I accept that this data may be used for administrative and statistical purposes within the terms of GDPR and the Data Protection Act (2018).
