### Notes

**1** Subject to a status check, **the College fee for other Home and EU undergraduates who are on their first undergraduate course is included within the University fee and does not constitute an additional charge payable by the student.** For *privately* funded Home and EU undergraduates, the College fee will be charged in addition to the University fee at the rate shown for Channel Islands, Isle of Man and Overseas students.

**2** University fees are billed by the College on behalf of the University. Self-funding students will be required to pay a deposit equivalent to one term's bill, including University fees and all College fees and charges. This deposit will be refunded against your last bill before completion of your course.

**3** Please consult the Assistant Bursar if you are unsure which fee rate applies to your course
