

**From: The Postgraduate Tutors - Dr Liliana Janik, Dr Sophia Shellard, Dr James Riley and Dr Hilary Marlow**

Dear Postgraduate

Welcome to Girton College. We hope that you will have a productive and enjoyable stay here.

We are the four Postgraduate Tutors in the college. Each postgraduate student is allocated to a Tutor who will be available for help with any personal or pastoral issues, including financial matters, which you may wish to discuss with someone. If we cannot help you directly we will probably know who can. Your Tutor is a useful intermediary for many situations and can sometimes help with academic matters too, if you experience difficulties. Tutors can also supply references for many situations.

As Postgraduate Tutors we will each be in email contact with our students at the start of term, so when you receive the email you will know who your Tutor is and how to contact them.

Due to the unprecedented situation this year, we may not be able to meet you face to face as often as we would like, but please be assured that we are available by email and can be contacted by phone, Zoom meetings can also be arranged..

We look forward to meeting you.

With best wishes,

Dr Liliana Janik  
Dr Hilary Marlow  
Dr Sophia Shellard  
Dr James Riley
