Please indicate the College(s) for which you wish to be considered in order of preference, inserting the numbers 1, 2, 3, etc in the boxes below. **The College from which you hold an academic offer must be listed as the first choice.** The choir in question may be King's/King's Voices as appropriate where King's College is concerned, or St. John's/St. John's voices where St. John's College is concerned. If your application was pooled, the College that pooled you must not be included in your preference list. ***N.B. Academic transfers

If listing more than one College, please tick one of the following statements:

If I am unsuccessful in obtaining a choral award at my first-choice College:

I would like the University to explore the **transfer** of my academic place to the highest College in my preference list that is willing to offer me a Choral Award. I am aware that transfers are not always possible and I understand that any transfer discussions will not affect the security of my original academic offer.

OR

I would **only** like to be considered as a potential choral **volunteer** at the other Colleges on my preference list and I do not wish my academic place to be transferred if I am not successful in being offered a choral award at my first-choice College.
