## North American English to UK English

In addition to word usage, there are also quite a number of slight spelling differences. We don't use a "zed" (not "zee") in many words like organisation – it's replaced with an "s".

Dates are ordered day/month/year. We use A4 sized paper and not 8 ½ X 11 Letter sized.

Aubtergine         Egglant           Autumn         Fall           Biro         Pen           Biscuits         Cookies           Car park         Parking lot           Caravan         Trailer           Charity Shop         Thrift store           Chemist         Drug Store           Chips         French Fries           Cinema         Movie theare           Cooker         Stove           Covergettes         Zucchini           Crisps         Potato chips           Crisps         Potato chips           Crockery         Plates, bowls, cups, etc.           Curtains         Drapes           Drawing pin         Thumb tacks           Parcy dress         Dressing up clothes / costume for Halloween or other event – it's NOT formal wear           Film         Movie           Flat         Apartment           Full stop         Period           Garden         Backyard           Gillet (pronounced in a French way)         Vest           Handbag         Purse           High Street         Main Street of most towns and cities           Hoover         Vacuum           Internal         Intermission	In the UK	In North America
