SmartestEnergy guarantees to supply certified 100% renewable electricity to Girton College at their contracted sites for the period listed on this Commitment Certificate. Every megawatt hour of electricity supplied is matched with a UK-recognised origin certificate.

Our renewable electricity products are annually certified by the Carbon Trust and conform to the Greenhouse Gas Protocol so Girton College can report zero carbon emissions for purchased electricity from SmartestEnergy when reporting using the market-based method. Please refer to the SmartestEnergy website for full details of the current certification period.

SmartestEnergy has partnered with [Ecologi](#) as our climate action partner. For each renewable customer contract, SmartestEnergy sponsors the planting of a tree in one of Ecologi's reforestation projects, contributing to future decarbonisation.
