Dear New Girton Undergraduate

Payment of College Bills

I am delighted you will be joining us in October, and I very much hope you will enjoy and benefit from your time at Girton.

Shortly after your arrival in College, you will receive a College Bill itemising the fees and charges payable by you or on your behalf. Details of fees and charges are available on the [College website](#).

Each term's charges are payable in advance at the start of each term. Your first College Bill will be emailed to you before the first day Term and is due for payment ten days after the start of full term.

Please ensure that your bill is paid by this date at the latest.

If, for any reason, you are unable to pay your bill on time, you must inform your Tutor and/or the Financial Welfare Officer immediately. They will advise you as appropriate and with your agreement a payment plan will be drawn up, which will need to be adhered to.

Students with a UK bank account may pay by bank transfer. International students who have not yet opened a UK bank account may also pay by bank transfer, but may incur charges from their banks. The College has a partnership with the on-line payment platform [Transfermate](#), which offers preferential exchange rates and no charges.

There is a flat rate fine of £50 for late payment, and interest is added to bills at base rate plus 8% if they are not paid within ten days of the due date each term. If your bill remains unpaid at the end of term and you do not have an agreed payment plan, further action could be taken including: not being allowed to continue with your studies, not being allowed back into residence at the start of the following term or debt recovery. For outstanding debts to College at the end of your final term, you will not be allowed to graduate (in the case of outstanding academic fees) or participate in the celebrations unless your account has been settled.

Should you need any further information about or explanation of any items of the fees and charges sheet, please contact the Finance Office at finance@girton.cam.ac.uk.

Yours sincerely
