STORMZY SCHOLARSHIP

For Black UK Students

TStormzy's #Merky Foundation in partnership with HSBC UK will provide scholarships to at least 10 Black students starting their studies in autumn 2026.

The scholarships are non-repayable and will cover the full cost of tuition fees and provide a maintenance grant, which will significantly reduce the need for recipients to take out government or commercial loans. This support will be available to recipients for the three or four years of their undergraduate course. For 2026-27, the total award will be equivalent to the maximum tuition fee set by the government plus the amount of the maximum maintenance loan from Student Finance.

Applications are open from August 13 to August 30, 2026.

If you have a confirmed place for entry in 2026 and meet the eligibility criteria, we would encourage you to apply.
